Hair:	Animal Structure imitated Synthetic Hair
Total:	180mm
Hair Length:	15mm

Mid-Size Eyeshadow Brush

Product Features: The perfect balance of precision and coverage, this brush features a compact, domed head for targeted color application. Its soft synthetic bristles blend seamlessly, ideal for defining creases or adding dimension to the lid. Ergonomic design ensures control for detailed work or quick everyday makeup.

Handle:	Plastic handle
Ferrule:	Thickened aluminum tube
Hair:	Animal Structure imitated Synthetic Hair
Total:	176mm
Hair Length:	11mm

Small Eyeshadow Brush

Product Features: Compact and precise, this brush features a tapered tip for detailed work. Its fine synthetic fibers deposit pigment with accuracy, perfect for inner corner highlights, lash line definition, or correcting mistakes. A must-have for intricate eye designs and flawless finish.

Handle:	Plastic handle
Ferrule:	Thickened aluminum tube
Hair:	Animal Structure imitated Synthetic Hair
Total:	171mm
Hair Length:	6mm

Pointed-tip detail brush

Product Features: The pointed-tip detail brush is used for handling fine areas such as the eyes and lips, like drawing the inner eyeliner and outlining the lip shape. It enables precise operation and perfects the details of the makeup.

Handle:	Plastic handle
Ferrule:	Thickened aluminum tube
Hair:	Animal Structure imitated Synthetic Hair
Total:	172mm
Hair Length:	8mm

Dual-Ended Eyebrow Brush

Product Features: Designed for versatility, one end features a slanted bristle brush for precise eyebrow shaping and filling with powder or pomade, while the spoolie brush on the other end blends and tames hairs effortlessly. Compact and travel-friendly, it's ideal for natural or defined brow looks.

Handle:	Plastic handle
Ferrule:	Aluminum
Hair:	Animal Structure imitated Synthetic Hair
Total:	158mm
Hair Length:	1.1/0.4mm

Dual-Ended Concealer Brush

Product Features: This versatile tool features a flat, dense brush on one end for precise concealer application to cover blemishes or dark circles, while the fluffy blending brush on the other softens edges seamlessly. Ideal for full coverage or natural finishes, its compact design fits perfectly in makeup bags for on-the-go touch-ups.

Handle:	Plastic handle
Ferrule:	Thickened aluminum tube
Hair:	Animal Structure imitated Synthetic Hair
Total:	164mm
Hair Length:	1.1/1.3mm

Silicone Lip Brush

Product Features: Crafted with smooth, food-grade silicone bristles, this brush offers precise control for outlining lips or filling them with liquid lipstick, gloss, or balm. Its flexible, non-absorbent surface ensures minimal product waste and easy cleanup. Hygienic and travel-friendly, it's perfect for achieving sharp edges and even application.

Handle:	Plastic handle
Ferrule:	Thickened aluminum tube
Hair:	Silicone rubber
Total:	175mm
